

Shareshill Post Office & Stores – Our community shop for Our community

Shareshill Village Shop Association Limited,
trading as: Shareshill Post Office & Stores

In February 2009, to save our Post Office and local Stores from closure, the Association bought them to be run as a community shop, the very first one in South Staffordshire!

Shareshill and the surrounding villages are now left with just one shop and one pub. If these facilities are lost, then the village will be no more than a hamlet, a commuter village. This could affect property prices and leave us with no facilities for local people.

We are now at the end of August 2010 and the shop and post office are still open, but to make sure it stays that way we need more people to use it week in, week out. We are a “not for profit organisation” but we still need enough profit to pay our overheads, and at the moment we’re not always able to do that. After all the costs are paid, should there be a surplus, this would be ploughed back into the community.

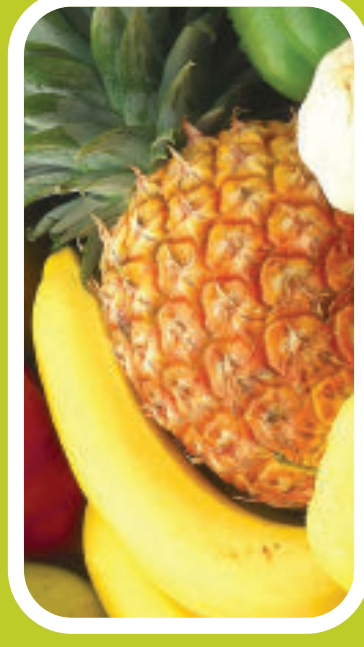

it really is a case of use it or lose it.

If you want the village to keep this facility, please use our post office – for your banking, postage, phone top-ups, payment of bills and many other items. Please buy your papers and magazines from us too – you can even get your evening papers & Sunday morning papers delivered in Shareshill.

You can also get your sweets and chocolate, ice cream, soft drinks, greetings cards, groceries and other sundry items from us.

We know that we are a convenience shop and that most people use supermarkets, but if everyone from Shareshill, Little Saredon, Great Saredon, Calf Heath and Wedges Mills spent just a few £s a week with us the future of this community shop would be secure.

If you want us to stay please show it by using us. We are after all; along with the church, the school, and the pub; the heart of the village.
